A test proctor is the person responsible for administering your exam. All proctor locations or proctors must be approved by the Instructor and Testing Coordinator. A college testing center is the best option. Neighbors, friends, and family members may not proctor the exams. The proctor selection is based on his/her availability, reliability, and impartiality. The exams are sent directly to the test proctor. You must present a valid picture ID to the proctor when you arrive for your pre-arranged appointment to take each exam. Student must provide 48 business hours for the form to be processed.
